Professional Summary

I'm Kipchirchir Too, a Nairobi-based Front-End Developer specializing in JavaScript (ES6+), HTML5, CSS3, and React.js. I hold a Diploma in Software Engineering from Moringa School, an intensive bootcamp focused on full-stack and modern front-end frameworks [Moringa School](#). I'm currently pursuing an LL.B. at the University of Nairobi, where I hone analytical and critical-thinking skills to complement my technical expertise [Faculty of Law](#).

Key Skills

- JavaScript (ES6+), React.js
- HTML5, CSS3, Sass/SCSS
- Responsive & Mobile-First Design
- UI/UX Design & Prototyping
- Cross-Browser Compatibility
- Version Control (Git) & CI/CD
- Performance Optimization
- Accessibility (WCAG)
- Testing & Debugging (Jest, Chrome DevTools)
- Agile/Scrum Collaboration
